This Is the Dawn

When the school doors opened this September, we were again introduced to BHS, but this time it was a new BHS. Countless hours of planning have gone into the making of our new school.

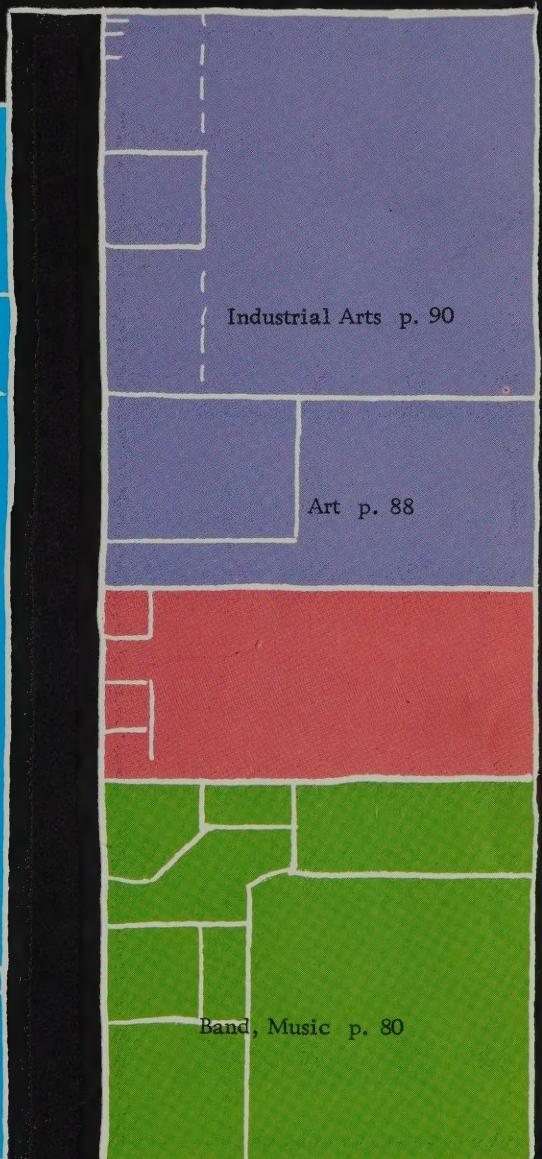

Before us, now, lies the dawn of a new day—a new era in the growth and enrichment of our lives. Let us be as faithful to the purpose for which this building was erected as were the men who first dreamed and then shaped this building into a reality.

Come with us now as we tour our new Brunswick High School.

Students receive schedule before school starts to have an opportunity to find their classes and get acquainted with their new school.

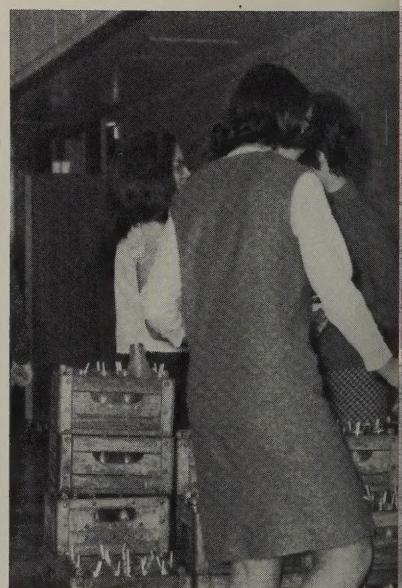

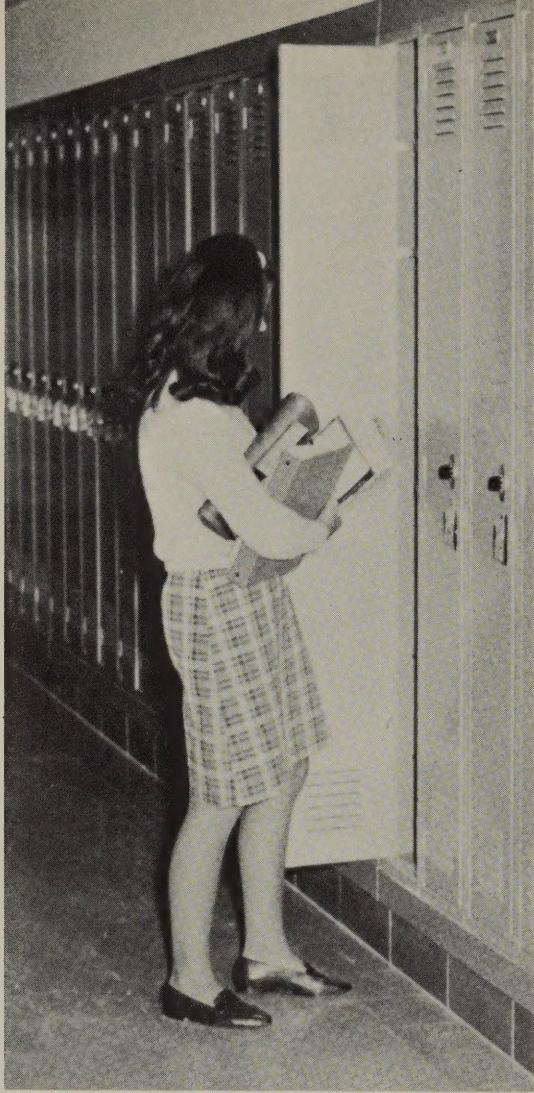

Yearbooks arrive in late summer and are passed out at the snack bar.

Teachers have a day to get their rooms in order for the opening of school.

First Day*

Common Cry of School

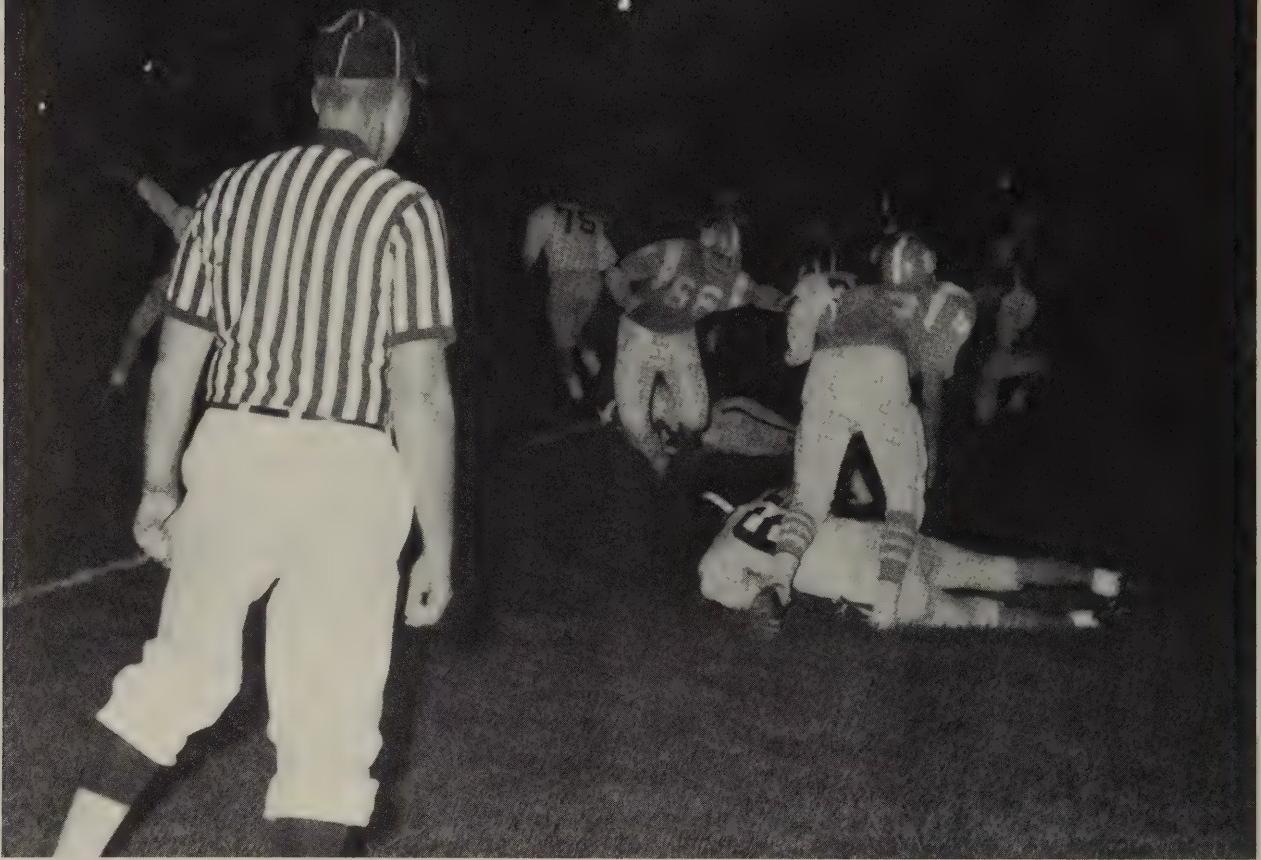

Common sights the first week of school include lost students and excitement over the new surroundings, new classes, and new teachers. The Student Council snack bar becomes the center of activity.

Due to a delay in the arrival of the library shelves, the library was open for reference use only the first six-weeks.

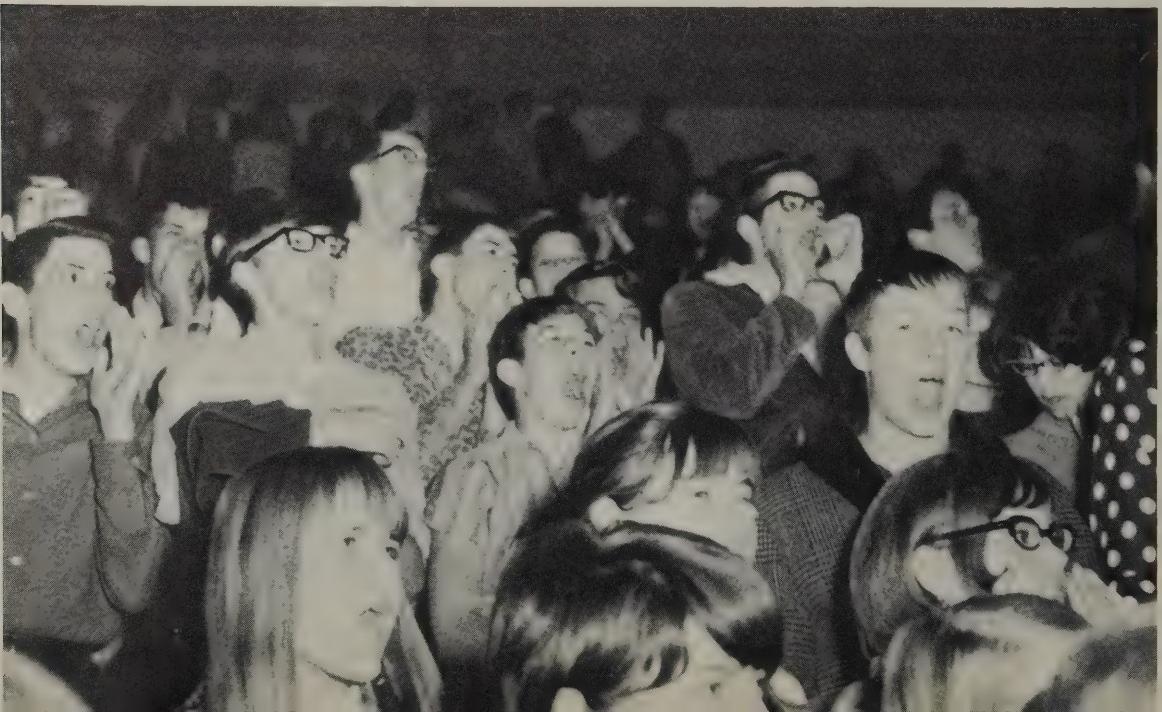

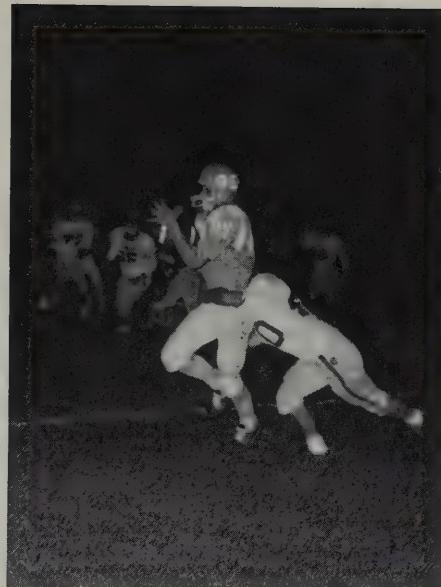

Brunswick Blue Devils fight in the first big game of the season against the Padua Bruins. Mr. Armstrong, head coach, has worked hard with the guys to get them ready.

Assemblies Add

Spice to BHS

Student Council sponsors most of the assemblies at BHS. The most colorful assembly was the Christmas Play presented by members of the Student Council. Prior to the Christmas Play, "Santa Claus" (Mr. Hawley) distributed candles to each of the teachers. An assembly of great interest was the safety assembly presented early in the school year. Many mouths watered as food was being prepared at the Home Economics Assembly. The practice assembly for the quiz down, televised on WAKR-TV was educational. BHS contestants won the game against Kent-Roosevelt High, 270--230. Representing BHS were Mike Beyer, Joe Plavecski, Randy Pixa, and Bill Hopper.

Class, Club Student Body

Student Council is the student government of BHS with elected representatives from the classes and every club. It adopted a constitution and sponsored various activities.

One of the first events of the 1967-68 school year was the Homecoming. Members decorated the school at Christmas time and presented a Christmas play as well as other assemblies throughout the year.

Twirp Week, April 22-26, was the highlight of the school year with dress-up and dress-down days, an after-school dance, and a musical assembly. Service projects included the Sweetheart Dance, the support of the foster child Levi, and the snack bar breakfast.

President Al Shirer presides over the weekly executive meetings and the general council meetings every two weeks.

Student Council officers are Karen Parschen, secretary; Linda Scott, vice-president; and Georgene Kaspar, treasurer.

Major S.C. Projects

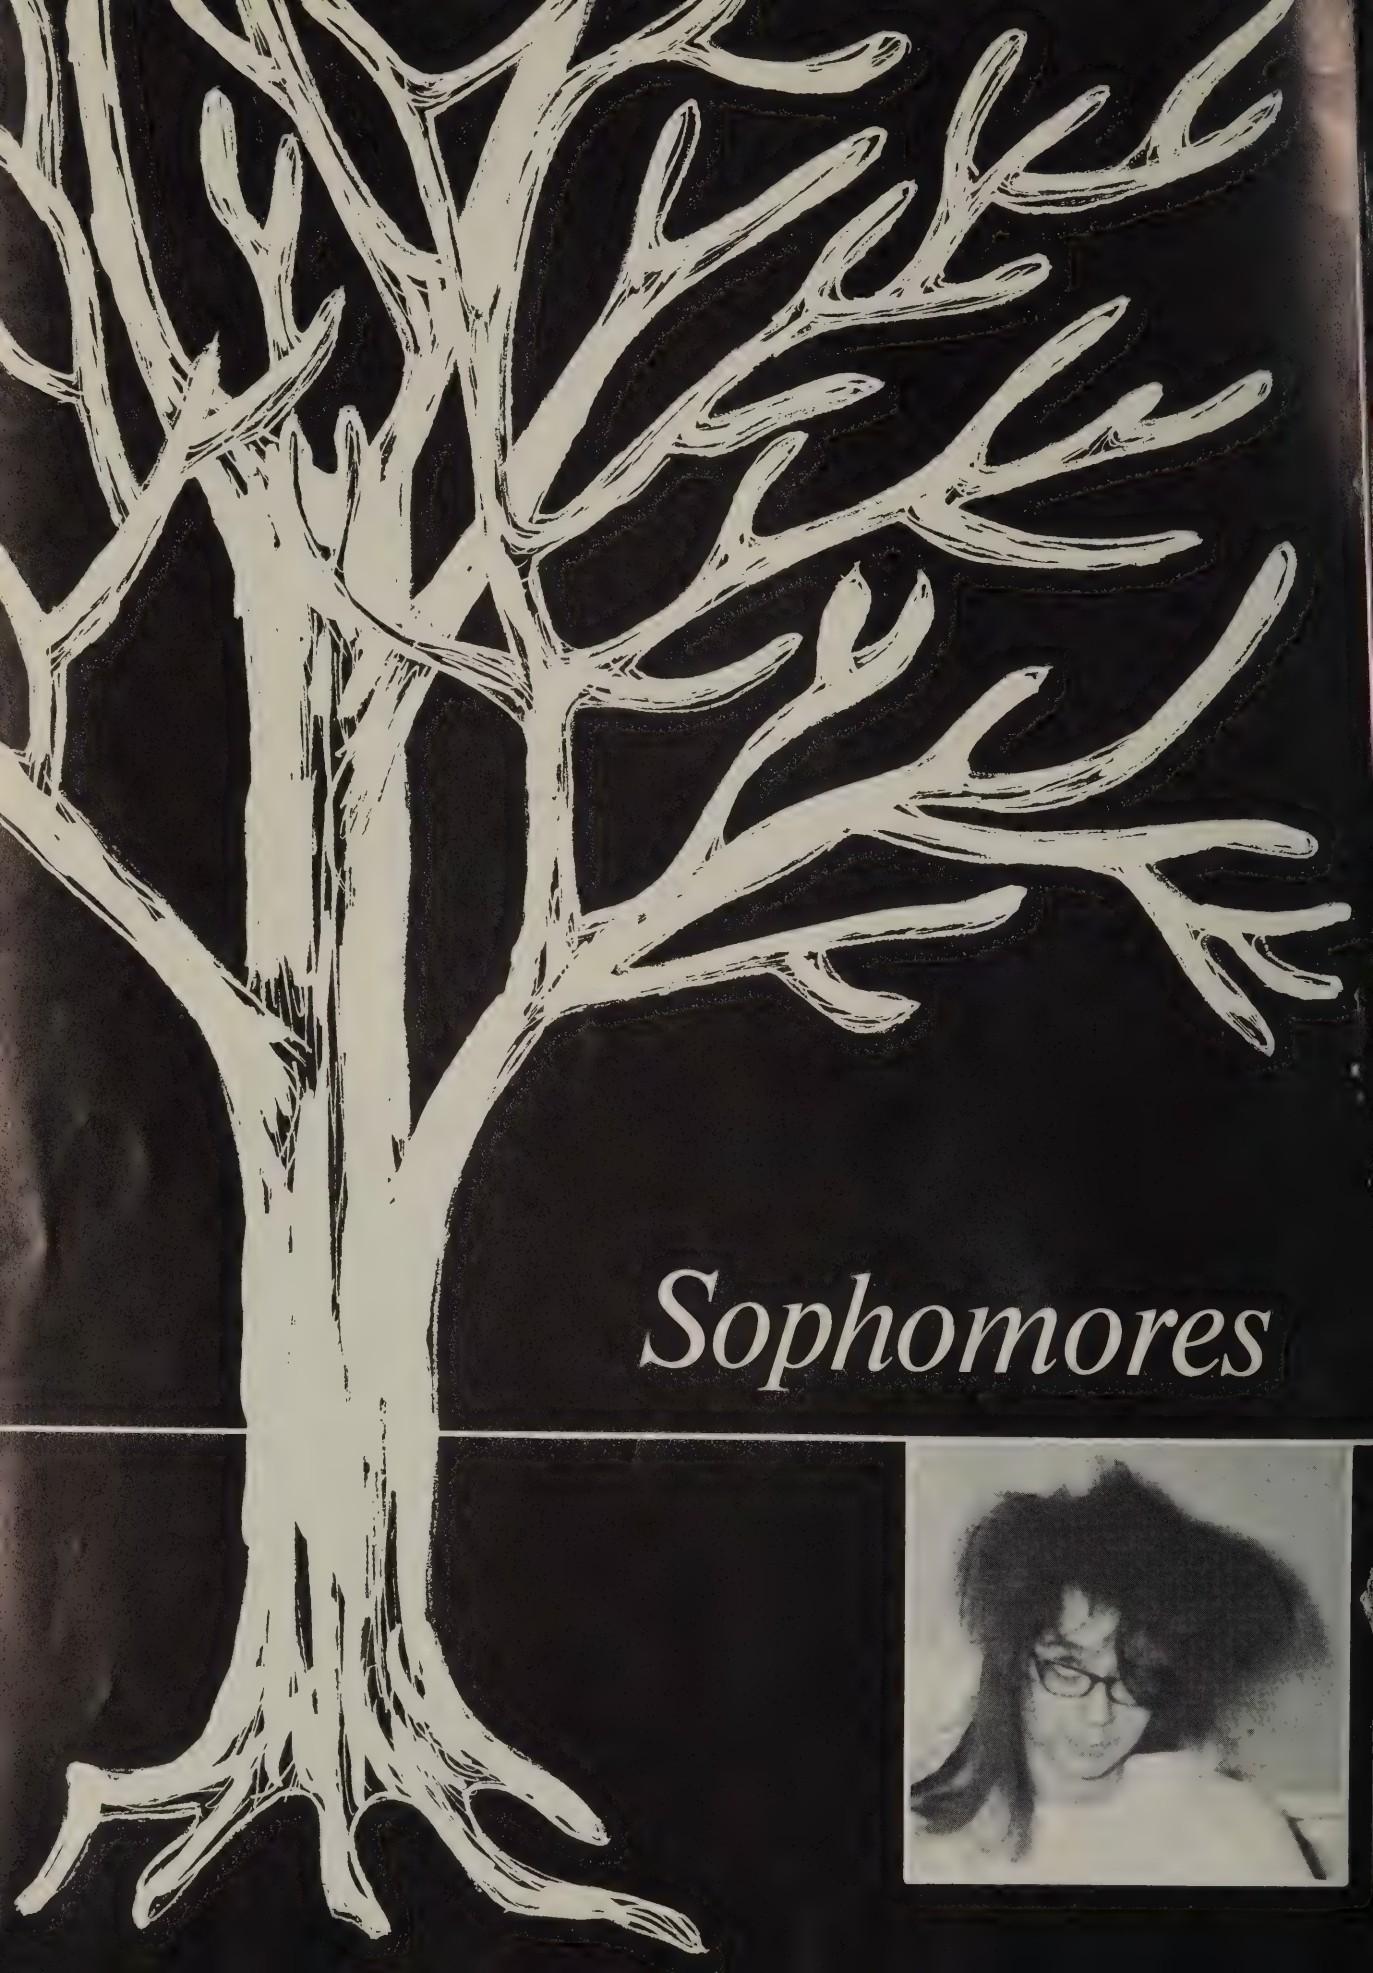

Brunswick Schools donated \$300 to the Heart Fund, of which Mr. Hawley was chairman. The Sweetheart Dance was one of the ways by which Student Council raised a donation.

The Sweetheart Court consists of Sheila Pope, Georgene Kaspar, Queen Sharon Martin, Carol Volk, and Deanne Kutz, escorted by Steve Szanto, Gerry Stephens, Frank Berlo, Dave Kerns, and Rick Cook.

For the second year, Brunswick High School is the foster parent of Levi Macaspac, a twelve-year-old Philippino. Our \$15-a-month contribution provides his school needs. In his letters he proudly tells us about his activities in the local Boy Scout organization.

Student Council members operate the snack bar serving a daily breakfast of donuts and orange juice.

Sophomores

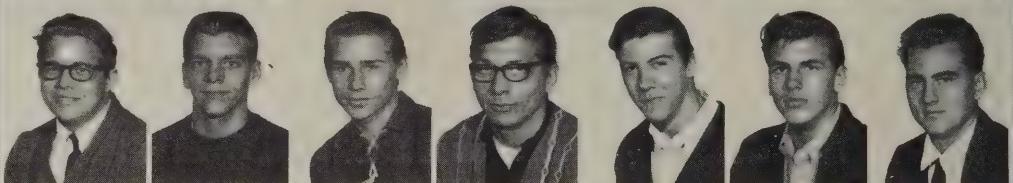

This is
the dawn of the Sophomores' high
school years. It is the beginning of many
decisions awaiting them. A year of fun . . . work . . .
excitement . . . and pleasure. A year to acquire new and
mature friends . . . plan their careers . . . and advance into the
adult world. These are the important years of growing up. Faculty
and parents help them through this awkward stage. It is a time to leave
the childish atmosphere they once knew and to enter a new and never-
ending society. This is the beginning of a new phase in their lives. Certainly,
this is the dawn upon which the success of their lives depends.

School Life

This is the dawn of a
fresh outlook on education in
Brunswick. A modern, new building
ushered in new courses, new procedures, new
ideas, and new freedoms. This is the dawn of
breakfast served at the snack bar . . . more freedom in
study hall . . . the independent study program in government
. . . vocational home ec . . . distributive education . . . N.H.S.
honor study hall . . . advanced placement history . . . calculus.
But school life is more than going to classes; it is also having fun
with friends at extracurricular activities . . . baseball . . . a large new
gym for basketball . . . a new track . . . a new golf coach. This is also
the dawn of many new clubs . . . Ski Club . . . DECA . . . Folk Club . . .
National Thespian Society . . . Chess Club . . . and the blossoming of many
inactive clubs into spirit-filled groups.

BHS Office Is Center of Activity

Miss Lee Marra and Mr. Russ Huston, the two guidance counselors at Brunswick High, help students in many diverse areas. They not only offer assistance to students with academic or emotional problems, but also offer information and suggestions in the choice of colleges or schedules.

Indirectly Mr. Huston and Miss Marra guide the students of BHS by advising clubs or classes. Miss Marra is the advisor of the sophomore class as well as Student Council. Mr. Huston is the advisor of the junior class.

Members of Key Club are Rick Lewis, Bob Carmen, Glen Oches, Frank Berlo, Mike West; SECOND ROW: Terry Doran, Dave Bolan, Dennis Seeds, Mike Sermulis, Len Goodwin; THIRD ROW: Bob Peden, Bill Horvath, Randy Pixa, Gary Koehler, David Blackmore; FOURTH ROW: Kim Holowaty, Mike Henry, Mike Townsend, Evan Hopkins, Tim Tector, Jim Zweifel. Key club advisor is assistant principal, Mr. Robert Gaume.

The Office Helpers are Mary Ann Lulas, Brenda Chaky, Bonnie Robinson, Sue Sloan, Sherry Gregory, Kathy Ko-

lenc, Charlotte Gerk, Claudia Crook, Debbie Heintz, Ginger Horne, Joyce Folger, Georgene Kaspar.

The office helpers assist secretaries Mrs. Wentz and Mrs. Johnson by running errands, answering the questions of students who come to the office window, distributing the absence list, and occasionally running

the supply store. Each of the girls works in the office for one period a day, there being one office helper for each period of the day.

The secretaries, Mrs. Johnson and Mrs. Wentz, help keep Brunswick High School's office running smoothly. They answer student inquiries, file the school's records, answer the phone, type letters, and set up appointments for those wishing to meet with Mr. Hawley, Mr. Gaume, or the two guidance counselors.

KEY CLUB BUYS HURDLES FOR TRACK TEAM

Key Club, one of the most active organizations at BHS, has fulfilled its goal of buying hurdles to be used by the track team. To earn money for this project, members sold key chains with the names of the classes printed on them.

Others successful projects of Key Club include the sale of zip code directories and a beauty contest.

Key Club's officers are president Frank Berlo, vice-president Kim Holowaty, treasurer Evan Hopkins, and secretary Randy Pixa.

The dedication of Brunswick High School took place on October 29, in the gymnasium. After the ceremony, which included a vocal and instrumental program put on by the band and the chorus, and speeches by several guests, the audience took a tour of the high school and met the faculty.

The biggest challenge for the ADMINISTRATION was getting ready for school to start in the new building. Organizational problems cropped up during the year which were not anticipated and changes were continually made.

Attendance and detention procedures underwent the largest changes and, according to Mr. Gaume, will probably be improved next year. He said, "Things should go a lot smoother next year, since we've been through it once."

Administrati

Mr. Viering, superintendent of Brunswick School System, is aided in making decisions by the Board of Education. The Board consists of five members and is headed by Fred Mack.

Changes in administration policy include several experiments such as the "talk" study hall, progress reports, and several advanced placement classes.

Social Studies Courses Are Offered at BHS.

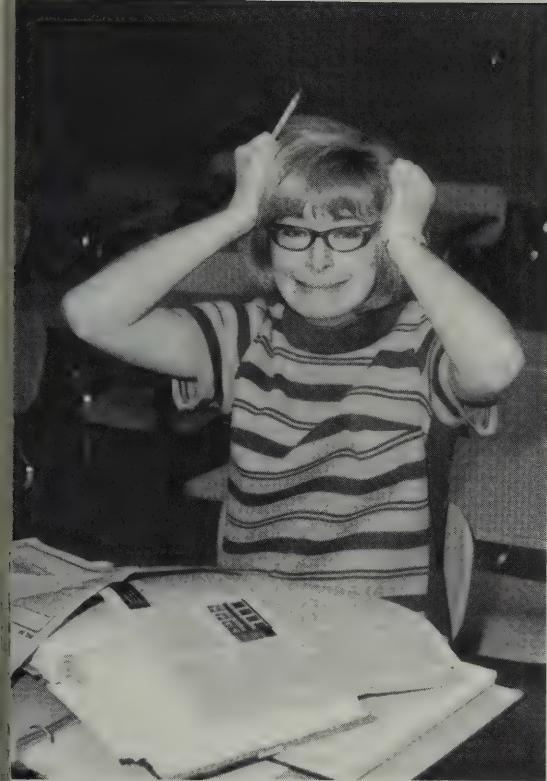

The social studies department began many new programs under the guidance of Mrs. Farkas, the department head.

One new program is advanced placement history, a course for seniors who have done superior work in their past history courses.

Students study all phases of history in detail. They are required to do extensive outside reading, presentations in class, and research papers.

Selected seniors may participate in the intensive study program in government class. They are required to attend class only when tests are scheduled. Students in this program do extensive research on a subject of their own choosing and meet with their government teacher once a week to discuss their progress. In the other social studies courses, new ideas are constantly being tried. In American history, for example, students present skits and reports.

Linda Young's membership pin is pinned on by her mother as part of the induction ceremony.

Study Halls.

Four levels of vocational home economics (as well as a class in family living), are offered at BHS.

Home visits are an integral part of the vocational home economics program. Home experiences provide opportunities to extend classroom learning to new situations for problem solving and decision making. Home experiences grow out of pupils' interest and needs and are correlated with class instruction.

Speakers and programs enhance lectures and laboratory sessions. Miss Donna Brooks demonstrated correct cooking procedures for various types of meats. BHS students participated in a fashion show, directed by a fashion coordinator from Simplicity Patterns.

The five Brunswick business course teachers do a great deal in the preparation of girls for secretarial and business careers. Courses include Bookkeeping I and II, Shorthand I and II, Typing I and II, office practice, record-keeping, consumer economics, salesmanship, and business law.

Students enrolled in the business courses acquire knowledge and skills applicable in the business world. The students first learn the basic skills such as typing, keeping records, and taking dictation. These skills are practiced in office practice class. In this course, students organize clerical work, operate office machines and assume responsibilities common to business offices.

The junior and senior Business Office Education programs (B.O.E.), scheduled to begin in the 1968-1969 school year, will provide intense instruction in shorthand, typing, business procedures, business English, and office machines.

Students enrolled in B.O.E. will spend four of the eight periods of the school day learning the office skills. Students who complete the course will be employable as stenographers and secretaries in business and legal firms, banks, and various offices.

Distributive Education, taught here for the first time, stresses business principles. Students attend the required classes in addition to the two-period DE class, in which they learn merchandising, marketing, and management.

DE students apply concepts learned in class on jobs in wholesale or retail establishments. Mr. Thomas Horwedel, the DE teacher-coordinator, works closely with proprietors in supervising and guiding the students, such as Sherry Bennett at Mapleside, and Tim Kettler and Keith George at Fisher Food Store. Having the advantage of thorough class study coupled with ambitious on-the-job training, DE students progress rapidly in position and salary.

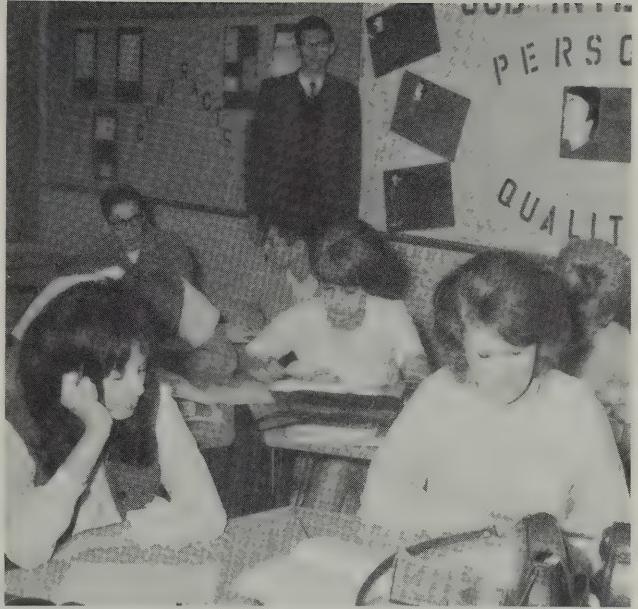

'D.E.: The Start'

DECA, the club segment of DE, teaches DE students to be both leaders and followers. Under the guidance of advisor Mr. Horwedel, president Tim Kettler, vice-president Phyllis Berberich, secretary Sherry Bennett, and treasurer Fran Eifel, DE students carried out many projects. Selling sweatshirts enabled DECA to hold a banquet in April for DE stu-

dents and their employers. As a community service project, DECA members prepared a Thanksgiving basket for a needy family. They also operated the BHS supply store. Through these ambitious projects, DECA is helping to build tomorrow's business leaders.

New and More Spacious Library

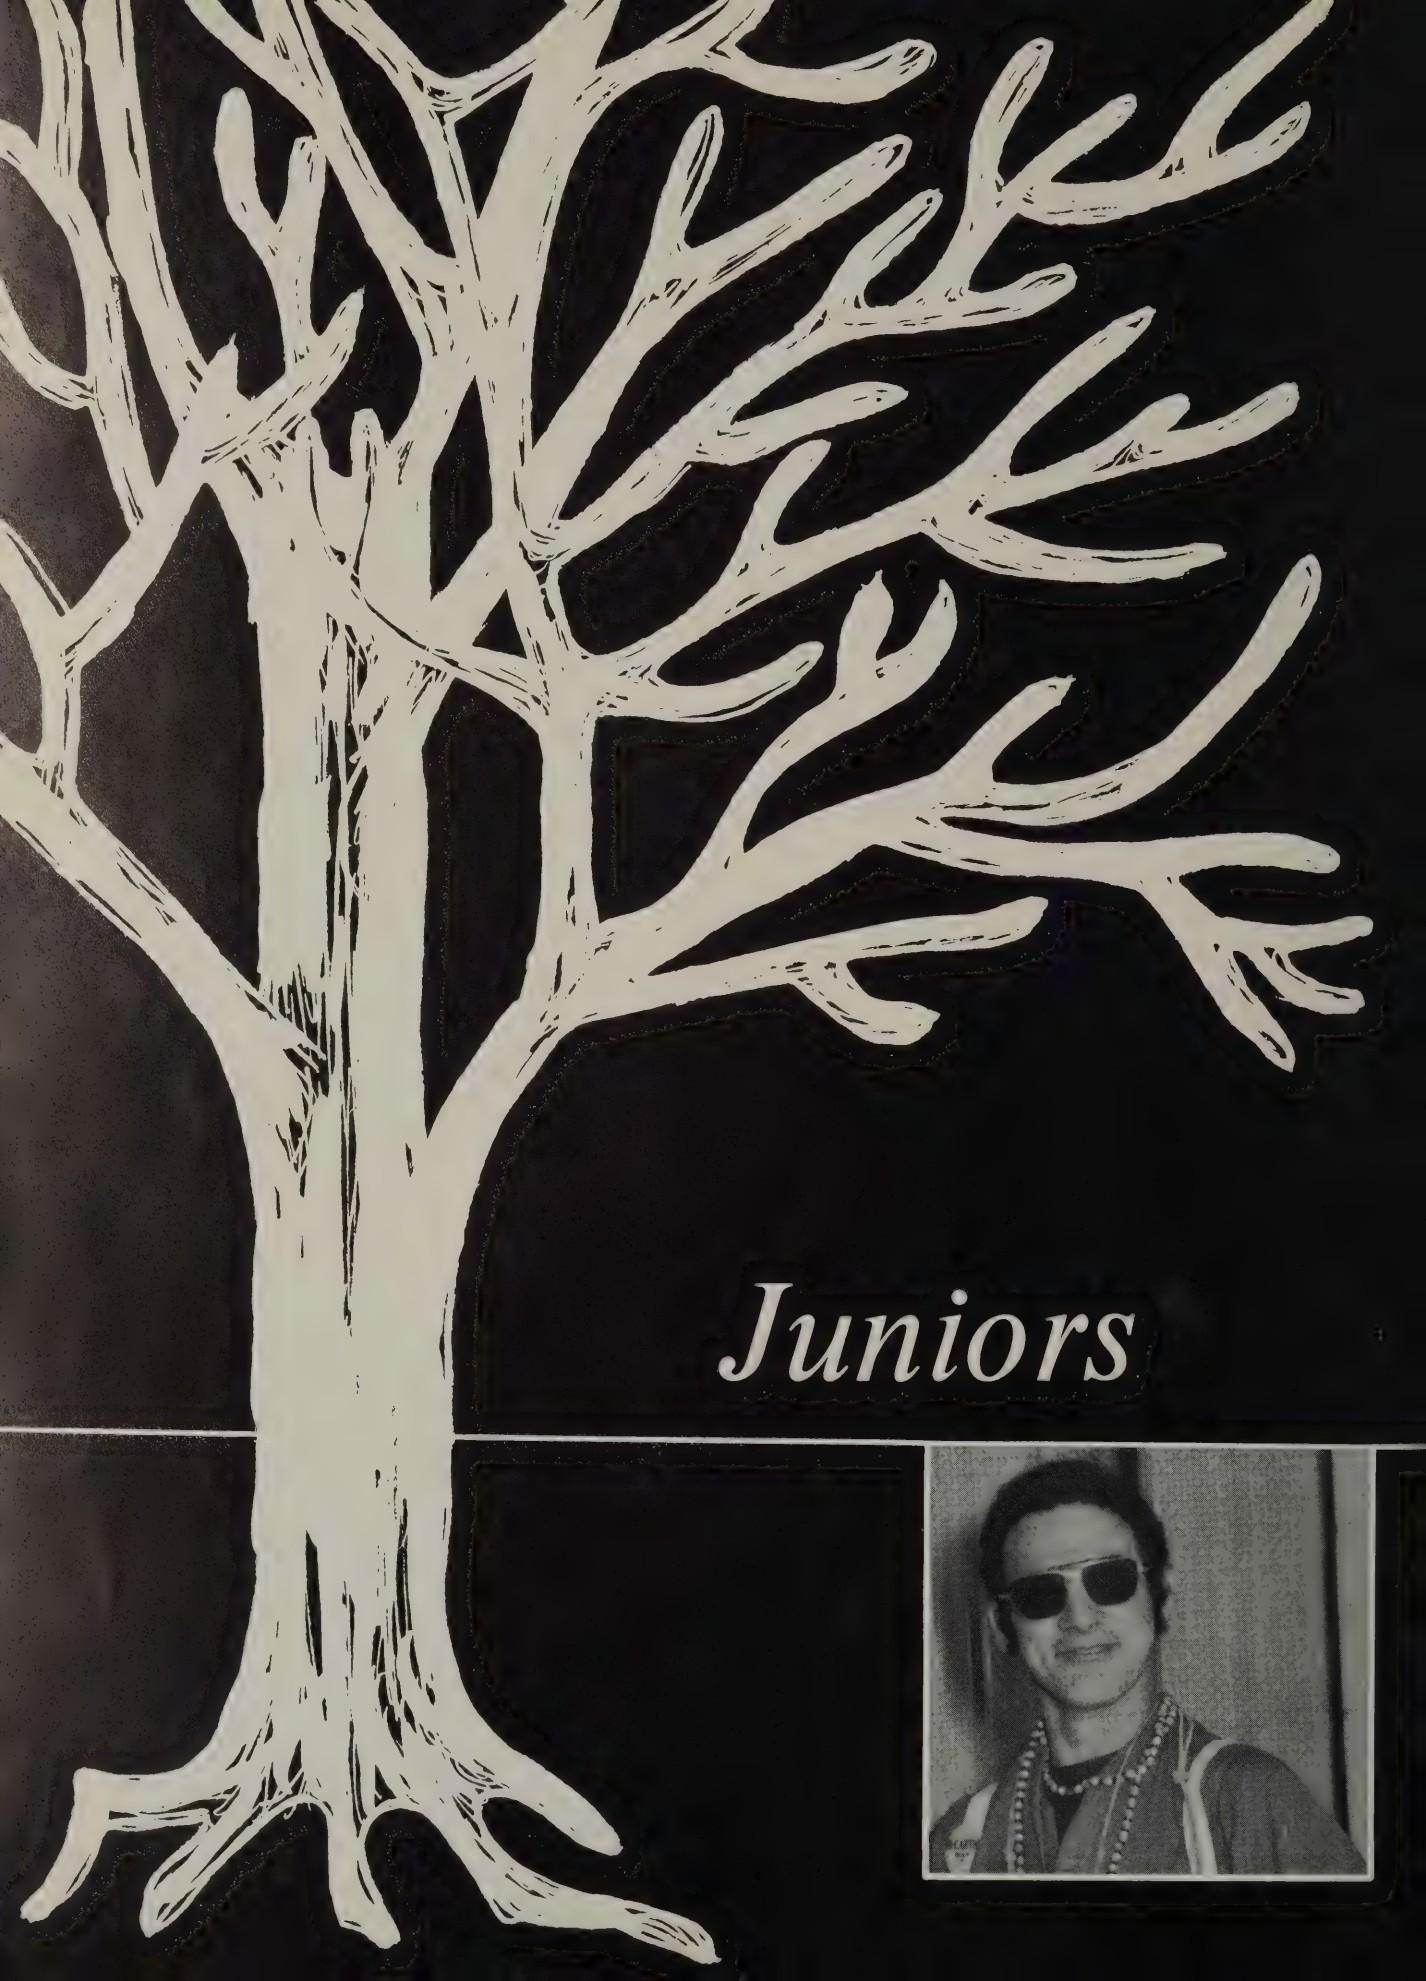

Used for Study, Pleasure

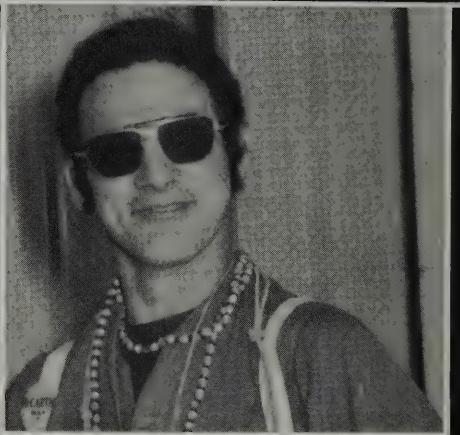

The library is not only used for reading and studying, but it has also been used for club meetings, such as the Quill and Scroll induction ceremony.

Librarian Miss Brunskill arranges books so that their use comes easy to the students. Her assistant is Mrs. Ruth Moritz.

Juniors

For the juniors this year was truly the dawn. They had happiness, which was accompanied by hard work. The juniors worked hard to make their junior class play a success, and it was a success. They sold candy to pay for the prom, and the prom was a fascinating, colorful affair.

The juniors were the last class to get their rings during their junior year. This supreme year was set above all others of their school years so far. They couldn't have made the school year better. They withstood the trials and tests of school, and they came out on top. They are now looking forward to a bigger and better school year.

One of the courses offered to juniors is chemistry. Terri Cepik is preparing an experiment for the class.

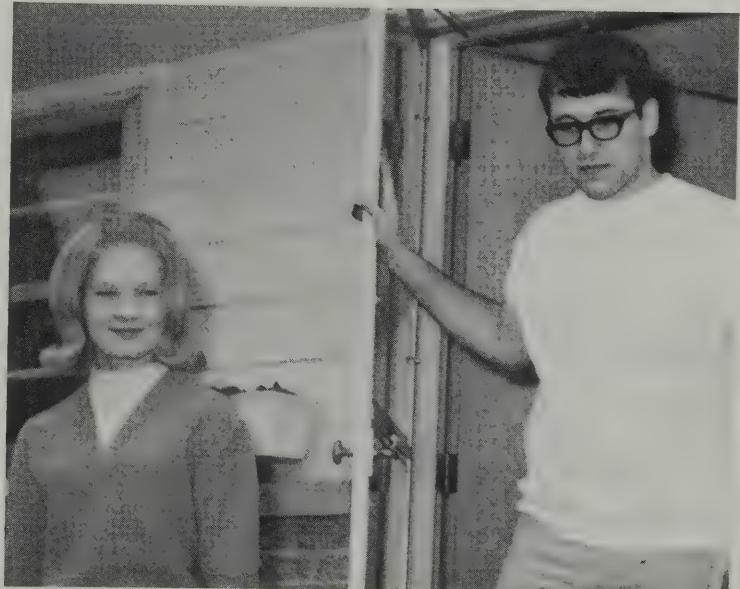

Juniors Go to Work on Classes and Activities

Juniors earned money for the prom by selling candy.

Prom Queen Charlotte Gerk was crowned by Jim Zwiefel, junior class vice-president. Renee Orlick, class treasurer, crowned King Monte Yeigh. The junior class choose a court consisting of four senior girls and four senior boys.

When it came to putting on the play DON QUIXOTE, U.S.A., the Juniors took charge. Everything was coming up "revolutions" until "El Banana" made the scene. The Junior class clowns made the play such a big success that it ran for two consecutive nights, November 18 and 19.

Dale Conley and his date Mary Chamberlin enter the colorfully decorated cafeteria on Prom Night. The prom was decorated like a garden, and the theme was "Three Coins in the Fountain".

Seniors

As graduation approaches, the Seniors have much to look back on. The fun and excitement of their last year of high school will linger long in their minds. A new school . . . parties . . . friends . . . prom . . . that special boy or girl . . . and other memories. But this is not a time for the Seniors to look back. Rather, it is a time to look forward to what the future holds in store for each one of them. Graduation . . . new careers . . . college . . . new friends . . . marriage. It is the beginning of a new and entirely different type of life. Truly, this is the dawn.

Exuberant seniors toss a companion into Carol Jane Lake. Almost every senior found himself taking an unexpected, uncomfortable swim at the May 24 senior picnic.

Senior Picnic Follows Awards

Contributors to B.H.S.'s literary magazine, THE MUSE, accept awards for their work. The winners pictured here are Bill Harrigill, Ted Miresh, Sandy Huffman, Tim Graham, and Kathy Thomas.

Seniors at the picnic find an enjoyable alternative to cafeteria lunches.

Assembly

Randy Pixa receives a special award from the Navy for his high scholastic ability.

Student Council president Al Shirer congratulates president-elect Cliff Smith.

Joy of Graduation Arrives

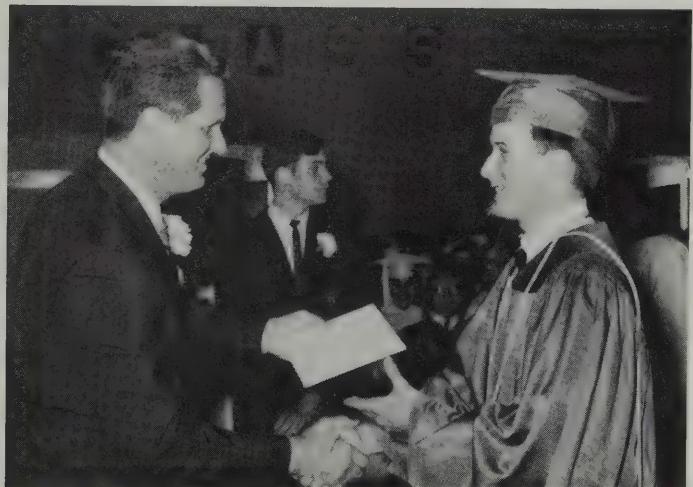

Karen Study, only student known to graduate from Brunswick High School with a 4.0 average, was valedictorian of the Class of '68. Ranking second out of the 244 graduating seniors was Rand Pixa; third, Liz Kyte; fourth, Gary Koehler; and fifth, Ray Hawkins.

Mr. Robert Gaume, vice principal, was in charge of practice sessions, preparing seniors for baccalaureate on May 26, and commencement on May 29.

Mr. Albert Shirer, Sr., vice president of the Board of Education, presented diplomas to the happy graduates. Rev. George VanWingenden, pastor of the First Christian Church in Girard, Ohio, delivered the class address, while the Rev. Father Eugene Morgan, assistant pastor of St. Ambrose Catholic Church, presented the address at baccalaureate.

Advertisers

If the yearbook were to support itself only by income from sales, the price would be so high, no student would be able to buy one. Therefore, the staff solicits advertising from local businessmen. They like to advertise in the yearbook, because they can appeal to the teenage consumer market and the adults of tomorrow. Cars . . . houses . . . groceries . . . gas . . . flowers . . . insurance . . . clothes . . . hair cuts . . . entertainment. They are selling what students want and will soon buy, and they are the employers of teenagers and young adults. As consumers and employees and perhaps as future businessmen, BHS students should look at the following pages carefully. These advertisers are helping to support the schools in Brunswick and are interested in the welfare of all young people.
